

operation of the subject WTF is neither incompatible with the public interest nor inconsistent with the use of such lands for park purposes; and

THEREFORE, the United States, through the Service, an agency of the Department of the Interior, acting pursuant to the authority of 16 U.S.C. § 5 issues this permit to WWC Holding Company, Incorporated (A Delaware Corporation) at 3650 131<sup>st</sup> Avenue South East #400, Bellevue, Washington 98006, for a right-of-way across Federal lands within Yellowstone National Park for the construction, operation and maintenance of a WTF.

The Permittee agrees to comply with and be bound by the Service regulations, 36 CFR Part 14, regarding rights-of-way over, across and upon lands administered by the Service, in addition to the terms and conditions set forth in this permit.

#### MAP AND LEGAL DESCRIPTIONS OF RIGHT-OF-WAY

A WTF will be installed at Old Faithful adjacent to the existing covered reservoir site located West of the sixth principal meridian, County of Teton, State of Wyoming. Geographical coordinates: 44 degrees, 27 minutes, 06 seconds north Latitude and 110 degrees, 49 minutes, 54 seconds west Longitude. A 12 x 24-foot building will be constructed to house the WTF equipment and a 70-foot antenna tower will be installed adjacent to the building at this location. For those parts of the permit which describe WWC Company, Incorporated appurtenances such as the building and antenna tower, the right-of-way shall be 50-foot centered on the WTF equipment or as otherwise described.

A WTF will be installed at the existing Grant Village site located West of the sixth principal meridian, County of Teton, State of Wyoming. Geographical coordinates: 44 degrees, 22 minutes, 41 seconds, north Latitude and 110 degrees, 32 minutes, 43 seconds west, Longitude. The WTF equipment will be located in the existing 16 x 30-foot MetaComm Cell site building near the existing U S West Telecommunications microwave site and the National Park Service (NPS) water tower. The 80-foot antenna tower will be located adjacent to the existing MetaComm building. For those parts of the permit which describe WWC Company, Incorporated appurtenances such as the building and antenna tower, the right-of-way shall be 50-foot centered on the WTF equipment or as otherwise described.
